INDEPENDENT AUDITORS' REPORT

**To the Board of Directors
BRYANT GARDENS CORP.**

We have audited the accompanying financial statements of Bryant Gardens Corp., which comprise the balance sheets as of December 31, 2014 and 2013, and the related statements of income (loss), retained earnings (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bryant Gardens Corp., as of December 31, 2014 and 2013, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 13, the entity has not estimated the remaining lives and replacement costs of the common property and, therefore, has not presented information about the estimates of future costs of major repairs and replacements that will be required in the future that accounting principles generally accepted in the United States of America has determined is required to supplement, although not required to be a part of, the basic financial statements.

BRYANT GARDENS CORP.

Notes to Financial Statements

December 31, 2014 and 2013

Note 1

Organization

Bryant Gardens Corp., a 409 unit Cooperative Housing Corporation (the Corporation), acquired land, buildings and improvements (the Property) from Bryant Gardens Associates (the Sponsor), on September 15, 1981 and commenced operations on that date. The common real property included in this acquisition consists of parking facilities, public hallways, roofs, sidewalks and professional office space. All of the cooperative's outstanding stock is owned by the residential tenants of the buildings. The primary purpose of the cooperative is to manage the operations of the buildings and maintain the common elements.

Note 2

Summary of Significant Accounting Policies

The financial statements have been presented in accordance with the accounting principles prescribed by the audit and accounting guide for common interest realty associations issued by the American Institute of Certified Public Accountants. The guide describes conditions and procedures unique to the industry (including cooperative housing corporations and condominium associations) and illustrates the form and content of the financial statements of common interest realty associations as well as informative disclosures relating to such statements. In addition, the guide requires that all revenues from tenant-stockholders, including maintenance charges and special assessments, be recognized as revenue in the statement of income (loss).

For purposes of the statement of cash flows, the cooperative considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Tenant-stockholders are subject to monthly charges to provide funds for the cooperative's operating expenses, future capital acquisitions, and major repairs and replacements. Tenants' Accounts Receivable at the balance sheet date represent various fees due from tenant-stockholders. The cooperative's policy is to retain legal counsel and place liens on the shares of stock of tenant-stockholders whose assessments are delinquent. Any excess charges at year end are retained by the cooperative for use in the succeeding year.

BRYANT GARDENS CORP.

Notes to Financial Statements

December 31, 2014 and 2013

Note 2 **Summary of Significant Accounting Policies - continued**

Property and equipment is being carried at cost. Depreciation of the buildings, improvements and equipment is being computed from the date of acquisition by various methods over periods from ten to forty years.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The cooperative accounts for certain revenue items differently for financial reporting and income tax purposes. The principal differences are permanent in nature and relate to any portion of maintenance charges and special assessments allocated for mortgage amortization and capital improvements which are being accounted for as contributions to additional paid-in capital for income tax purposes whereas such items are recognized as revenue for financial reporting.

Note 3 **Concentrations of Credit Risk**

The cooperative maintains various bank and money market accounts that at times may exceed insured credit limits. The cooperative has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk with respect to such balances. However, should any of these institutions fail, the cooperative could suffer a loss.

The cooperative has investments in money funds which are not bank deposits or F.D.I.C. insured and are not guaranteed by the brokerage house. These funds are subject to investment risks including possible loss of the principal amount invested.

Note 5 **Mortgage Payable**

On July 1, 2011, the cooperative consolidated their mortgages with NCB for a total amount of \$9,500,000. Commencing August 1, 2011 and continuing thereafter through July 1, 2021, monthly installments of \$67,612 are due, including interest at 5.16% per annum and reduction of principal based on an 18-year amortization schedule. The entire indebtedness of the loan is due and payable on January 1, 2021.

Principal maturities of the mortgage are as follows:

2015	384,716
2016	404,158
2017	426,991
2018	449,874
2019	473,982

As part of the aforementioned refinancings, the cooperative has paid closing costs of approximately \$210,000 which are being amortized over the life of the new mortgage.

BRYANT GARDENS CORP.

Notes to Financial Statements

December 31, 2014 and 2013

Note 6

Reserve Fund

The proceeds from all of the mortgage refinancings have been added to the cooperative's existing investments to establish a reserve fund which has been and will be used to finance capital improvements such as hallway renovations, new entrances, roof/window/garage door replacements, landscaping upgrades, danfoss valve replacement, signage, siding, boilers, gas conversion and other assorted property improvements. During 2014 and 2013, the cooperative incurred capital improvement costs of approximately \$248,000 and \$512,000 related to the aforementioned items. As of December 31, 2014 and 2013, the cooperative maintained a balance in the reserve fund of approximately \$1,506,000 and \$1,755,000, respectively.

Note 7

Treasury Stock

During the year ended August 31, 1997, 185 shares of stock were recorded as treasury stock due to an eviction of one of the cooperative's shareholders. In 2010, an additional 265 shares of stock, at a cost basis of \$27,304, was added as treasury stock due to another eviction of one of the cooperative's shareholders. The shares are recorded as treasury stock by the cooperative with a cost basis representing the unpaid carrying charges of the previous stockholder plus the cost of improvements to restore the apartment. Both apartments are rented and the income from the apartments is shown on the Statement of Income as Rental Income.

Note 8

Sponsor Ownership

As of both December 31, 2014 and 2013, the Sponsor and its partners owned 10,865 and 11,535 shares, respectively which represents approximately 10% of the outstanding shares.

As of these dates, the Sponsor and its partners were current in the payment of carrying charges and garage charges.

Note 9

Future Professional Income

A portion of the cooperative's property is leased to one tenant under a lease for five years which expired on December 31, 2005. This lease continues to operate on a month-to-month basis until a new lease can be finalized.

BRYANT GARDENS CORP.

Notes to Financial Statements

December 31, 2014 and 2013

Note 10 **Real Estate Taxes - Tax Abatements**

The cooperative is entitled to and has received tax abatements on behalf of its stockholders during 2014 and 2013. The abatements, which include Star, Veterans and Senior Citizens are passed on to the stockholders by direct payment or as a credit against carrying charges. Any undistributed abatements as of the fiscal year end have been included on the Balance Sheet in Current Liabilities as Real Estate Tax Rebate Due to Stockholders. As the abatements benefit the stockholders, the real estate tax expense reflected in these financial statements is gross of all the aforementioned tax abatements.

Note 11 **Benefits**

The cooperative participated in the 32BJ North Pension Fund, Employer Identification Number 13-1819138, Plan 001, for the years ended December 31, 2014 and 2013. The cooperative participated in this multi-employer plan, for the years ended December 31, 2014 and 2013 under the terms of collective-bargaining agreements that cover its union represented employees. This collective bargaining agreement expires September 30, 2018 and the cooperative has no intention of withdrawing from the plan.

The risks of participating in multi-employer plans are different from single-employer plans for the following reasons: 1) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, 2) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers and 3) if the cooperative chooses to stop participating in its multi-employer pension plan, the cooperative may be required to pay the plan an amount based on the underfunded status of the plan, which is referred to as a withdrawal liability.

The zone status is based on information that the cooperative received from the plan and is certified by the plan's actuary. Plans in the red zone are generally less than 65 percent funded, plans in the yellow zone are less than 80 percent funded and plans in the green zone are at least 80 percent funded. The most recent Pension Protect Act (PPA) zone status available is for the plan's year-end at December 31, 2013 and December 31, 2012. The certified zone status for the plan for each of these years was red and a rehabilitation plan has been implemented. It is possible that this rehabilitation plan may involve a surcharge to the cooperative.

BRYANT GARDENS CORP.

Notes to Financial Statements

December 31, 2014 and 2013

Note 11

Benefits - continued

In addition to the Pension Fund, the cooperative also participated in a Health Fund for the years ended December 31, 2014 and 2013. The fund provides health benefits (medical, surgical, hospital, prescription drugs, behavioral health, optical, dental) and life insurance coverage for eligible participants and their covered dependents. Retired employees are eligible for health benefits if they retire before age 65, but after age 62; accumulated 15 combined years of pension service credit; worked both 90 days immediately before retirement and at least 36 months of the 60 months before retiring; and are receiving an early or regular retirement pension from the 32BJ North Pension Fund. These benefits continue for the retired employee and eligible dependents until they become eligible for Medicare, until age 65, or until the retiree's pension is suspended, whichever occurs first.

The cooperative made the following contributions to the plans at December 31:

	<u>2014</u>	<u>2013</u>
Pension Contributions	19,590	19,052
Health Contributions	93,281	90,468

The cooperative's contributions to the plan were not greater than 5% of the plan's total contributions.

Note 12

Income Taxes

Federal income tax is computed pursuant to Subchapter T of the Internal Revenue Code. Under Subchapter T, income from non-patronage sources in excess of expenses properly attributable thereto may be subject to tax. The cooperative believes that all of its income is patronage sourced.

Accordingly, no provisions for taxes, if any, that could result from the application of Subchapter T to the cooperative's income has been reflected in the accompanying financial statement. New York State Franchise tax is calculated by utilizing special tax rates available to cooperative housing corporations based on the cooperative's capital base.

BRYANT GARDENS CORP.

Notes to Financial Statements

December 31, 2014 and 2013

Note 12 **Income Taxes - continued**

As of December 31, 2014, the cooperative has available net operating loss carryforwards to apply to future taxable income in the approximate amount of \$4,846,000. If not used, these carryforwards expire beginning in 2018 and continuing through 2033.

In accordance with accounting rules for uncertainty in income tax guidance, which clarifies the accounting and recognition for tax positions taken or expected to be taken in its income tax returns, the cooperative's tax filings are subject to audit by various taxing authorities. The cooperative's federal and state income tax returns for the last three years remain open to examination. In evaluating its tax provisions and accruals, the cooperative believes that its estimates are appropriate based on current facts and circumstances.

Note 13 **Future Major Repairs and Replacements**

The cooperative has not conducted a study to determine the remaining useful lives of the components of common property and current estimates of costs of major repairs and replacements that may be required in the future. When replacement funds are needed to meet future needs for major repairs and replacements, the cooperative may borrow, utilize available cash, increase carrying charges, pass special assessments or delay repairs and replacements until the funds are available. The effect on future assessments has not been determined at this time.

Note 14 **Subsequent Events**

Management has evaluated subsequent events through April 5, 2015, the date at which the financial statements became available for issuance. No events have occurred that would require adjustments to, or disclosure in, the financial statements.
